RULES:

This competition will run under BRC 2025 Rules, anyone in attendance will be bound by the BRC Code of Conduct. It is important that all competitors are aware of the rules relating to this competition. [Please check BRC 2025 updates for any changes to published BRC Handbook Rules.](#)

All BRC code of conduct rules must be observed at the event unless the venue / organiser has given specific instructions that are still in line with health and safety guidelines. This includes: the welfare of the horses and ponies; the conduct of members, officials, volunteers and representatives; safeguarding and equality and diversity as well as social media and discipline.

For further information on the BRC codes of conduct please see the BRC handbook.

Entries:

All entrants must submit ENTRY to eel (fees can be found in the current BRC Handbook). Late pre-entries may be accepted at the discretion of the organiser. Late entries cannot be guaranteed and so therefore must not be paid for until approval from the organiser has been gained.

Area Entries:

After a pre-entry has been made, the designated club member who is in charge of organising the team / individual taking part in the event must also ensure an area entry is made. The fee is confirmed by the area liaison committee and is payable to the area/host club. If a pre-entry is made, clubs are agreeing to a binding constitution which means they must make an area entry payable to the designated account, regardless of whether or not the team/individual competes.

The closing date of entries is at the discretion of the area qualifier organiser, with details of the organiser being posted on the BRC area representatives and qualifiers page. The entry must be signed by a senior club member / individual member who is also a BRC member. This certifies that all entries are in accordance with BRC rules.

BRC have adjusted the numbers to qualify due to requests from many areas. For further information on the numbers to qualify for BRC championships, members are advised to review the BRC 2025 handbook.

Withdrawals, Refunds and Cancellations:

BRC will credit note at their discretion, should the team manager need to withdraw any members from competition, it is up to the discretion of the organiser for refunds. If the event is cancelled and rescheduled within 21 days of the original event then all entries will remain and be carried over to the new date, with pre-entries for the qualifier NOT re-opening. If the new qualifier date is more than 21 days after the original date, then pre-entries will reopen and close again 21 days before the new qualifier date. Those unable to make the new date have 14 working days to claim a credit note from BRC. Eligibility will be taken from the close of the new entries date.

For any qualifier that is cancelled and not rescheduled, clubs will have 14 working days from the date of cancellation to claim a credit note from BRC.
